Ref: Shelter Program and Permits

Dear Honorable Minister Lee,

One year after the passage of hurricanes Irma and Maria, it is in my opinion timely to take stock of some progress that got underway following the hurricanes aforementioned.

- Please provide an overview/report on the shelter program established at Dr. J. Foundation in Sucker Garden.
- Please provide a status report on the Emergency Income Support and Training Program.
- Please provide most recent labor statistics, registered unemployed and requests for work permits.
- The amount of requests for medical assistance, (Dr. cards), per month from October 2017 through September 2018, compared to October 2016 through September 2017, broken down in gender, age and nationality. The same for requests for financial assistance.

Respectfully submitted,

Hon. Sarah A. Wescot-Williams
