Re: In preparation of harbor meeting

Dear Ms. Joubert

In preparation for the upcoming meeting I am following up on a request I made via email on the 16, December 2014. In that request am asking for all documents relating to the harbor and the crane from former commissioner Julian Rollocks to the governor, the letter the commissioner wrote to the governor calling for an investigation on the functioning of the harbor and the purchase of the crane. Also information concerning the lean by the Goa brothers and the total cost of the recently held FCCA conference, the cost of

the Cabana hut project on the boardwalk and the total cost of the causeway bridge.

Please inform me if proper procedures were followed in making this request.

Sincerely
Christopher Emmanuel
