Ref: **National Anthem and the National Song of Sint Maarten**

Honorable Chairman,

Much have been discussed about a National Anthem and the National Song of Sint Maarten, but with no tangible results that will promote patriotism on the island. It is imperative for this Parliament to receive information on the direction that the current Minister of Education Culture Youth Affairs and Sports will take in addressing this issue. This newly developed constituent state is approaching its 5th anniversary and it is imperative for this Parliament to bring closure to the subject matter. By means of this letter and through the chairman, I would like to request for such information to be immediately sent in order to determine whether Parliament should immediately convene a meeting to discuss the matter with the relevant minister.

Thanking you in advance

MP Leona Marlin-Romeo
Independent Member of Parliament
