Honorable President of Parliament, on March 18th 2015 documented under IS 538, a request was made through your person to the Minister of Health Care, Social Development and Labor for the draft proposal law and feasibility study on neo-natal screening for children born in Sint Maarten. It is almost 5 months to this date and the information has not been forthcoming. I would like to still receive the said information before September 1st and also receive and answer as to why it has taken so long to receive a response. I await the response of the Chairman,

Respectfully yours,
