Draft Motion

The Parliament of St. Maarten, in its meeting of today, January 21 2022

Considering

That US Pre-clearance is a priority item in the Governing Program

The various reports including the latest Central Bank report on prospects of US Pre-Clearance

The increasing competition we will face from surrounding islands and their expanding airport facilities and growing popularity

Declares

That the Parliament of St. Maarten supports the government's mandate to the Pre-Clearance Workgroup, as referred to in the Budget Debate 2022, to outline a viable path to Pre-Clearance for Country St. Maarten in a feasible and responsible manner

Resolves

For the Pre-clearance Workgroup, through Council of Ministers, to send quarterly reports detailing the progress of St. Maarten path to US Pre-Clearance, to be handled by the Parliamentary Committee of TEATT, with the first report due March 31, 2022

And goes over to the order of the day

R. Bizon
