Hon. Minister Ottley,

By means of this letter, I would like to provide clarification behind the intent of the budget amendment which I submitted and subsequently passed together with the approved budget which was recently published on Friday, September 10th, 2021.

One of the amendments that was made in the budget amendment was "D1 under *overige goederen en diensten*". I would like to clarify that indeed as it states the intention for this was to provide legal support for activities that you as Minister believes are important for the Ministry of VSA as long as it relates to legal support for legislative drafting.

The intention was that marijuana would be an example, but not limited to this. However, I wish to clarify this here to see if this could assist you in executing your objectives in the spirit of the amendment that I drafted.

I trust to have you sufficiently.

Sincerely,

Rolando Brison
