Re: New Building Codes

Dear Minister,

Government announced last week that it had received the final reports of Building Codes and Technical Norms from the Association of Dutch Municipalities VNG-International.

I think it is vital that we have an understanding of what the findings in these reports are. If we are talking about findings that will guide a “build back better” scenario, then believe we should all know what these are, in particular the Parliament of St. Maarten.

As such I hereby request that copies of all these reports be provided to my person.

Looking forward to receiving them soonest . Thank you for your Cooperation,

Christophe Emmanuel
